

Financial Tear Sheet

Corporate Profile

Headquartered in Chandler, Arizona, Everspin Technologies, Inc. is the worldwide leader in designing, manufacturing, and commercially shipping discrete and embedded Magnetoresistive RAM (MRAM) and Spin Transfer Torque MRAM (STT-MRAM) into markets and applications where data persistence and integrity, low latency, and security are paramount. With over 70 million MRAM and STT-MRAM products deployed in data center, cloud storage, energy, industrial, automotive, and transportation markets, Everspin has built the strongest and fastest growing foundation of MRAM users in the world.
